Freely Transferable

A long piece of rope

0122

This piece of rope is long enough to tie someone up. If you successfully use restrain on a character, you may spend 2 minutes to tie the character up. **Anyone** can release a character who is tied up. A tied up player who is left alone for 5 minutes (no one else in the room actively watching them) may wiggle free of their bonds and take the rope with them.
